

# Town of Newport Streetscape Improvements Phase II

## DelDOT Transportation Enhancements (TE) Program

The Transportation Enhancements Program (TE), established through federal legislation, is intended to encourage development of a more balanced multi-modal approach to mobility and accessibility.

### Proposed Improvements

- Replace or construct new concrete sidewalks with brick accents on both sides of West Justis Street and West Market Street.
- Upgrade existing traffic signals and install handicap accessible ramps at intersections.
- Install lighting along West Justis Street and West Market Street.
- Connect to Phase I project, under SR141 Viaduct.

### Schedule

- |               |   |                                 |
|---------------|---|---------------------------------|
| • Winter 2013 | – | Continue Design/Public Outreach |
| • Spring 2013 | – | Final Plans                     |
| • Fall 2013   | – | Begin Construction              |
